

Group Participant Spectrum

Each person is different and lives at a different point on each spectrum.

Confrontation _____ Avoidance
Structured _____ Flexible
Personal Focus _____ Corporate Focus
Efficiency _____ Satisfaction
Consenses _____ Divergence
Edification (Internal) _____ Service/Witness (External)
The Material _____ The People
Talking _____ Listening
Relational Staying Power _____ Relational Starting Power

The Fall's effects cause each of us to be inclined toward frustration over the fact that the Lord has made people who are "not like me".

Group leaders need to come to grips with God's create order and learn to be comfortable with being around people who are different then they are.

What are your inclinations as a leader, and how do you need to account for that?
